RealForeclose™ Foreclosure Sales Online Free Bidder Training Classes

Harvey Ruvin, Clerk of Courts, is proud to offer *RealForeclose™*, a web-based service that moves the sale of Miami-Dade County foreclosed property out of the courtroom, and onto the Internet.

This service will “go-live” at www.MiamiDade.Realforeclose.com on **December 7, 2009** with the first on-line auction to take place on January 11, 2010. This will allow time for users to become familiar with the on-line auction process, register, place deposits and research properties.

To introduce this exciting new service to the community, the Clerk, in cooperation with RealAuction.com, will be offering training classes for interested parties.

Each 90 minute class, taught by the RealAuction.com team, introduces the concept of online foreclosure sales, and reviews the use of the software.
